Employee SOP (Read-only)

1. Company Overview

We are committed to delivering high-quality digital products while maintaining professionalism and integrity.

2. Code of Conduct

- Maintain respectful behavior with colleagues and clients.
- Complete assigned work on time.
- Show honesty and teamwork in all activities.

3. Responsibilities

- Report progress to your reporting manager daily.
- Get approval before major code or process changes.

4. Data Security

- Keep all credentials and project information confidential.
- Use only authorized company tools.

5. Attendance & Leave

- Mark IN/OUT daily.
- Apply planned leave one day in advance.

Employee Signature

Consent: I confirm that I have read and agree to follow the SOP.
